Mike,
 your humor
 will get you through

 else does. I hope the
 thing I taught you one

 got it. I really am a
 nice person. I got to know you
 well. I hope you
 will meet me next year.
 Mike,
 For a

 you're really
 nice. (considering)
 It's a lot of fun

 Think of something we can

 just made some contact
 explosive and heard that you
 can put it in a key hole (it is
 a paste and dries into a powder) and
 blow someones key out (it
 goes off when someone puts a key
 or jars it). I will tell you how
 to make it later.

Mike,
 You are a terrific speaker and I'll bet a
 great clown too. I really enjoyed listening
 to your speeches in speech.
 I would like to know if an 8 is
 good or bad on your scale (in other words
 in 10 the best or 1) Have a great
 summer. See you next year, on the bus
 if not in any of my classes.

It was fun working with you in Drama again this year. And you helped to make Creative Writing a little more interesting. I hope you had a great time in D.C. I'll probably see you sometime during the summer, but have a good time anyway. See you next year.

Take it easy
Mike Karmil

mike, Let's go to Disneyland. O.K.? you are a real neat something or other. You're kind of hard to understand so I'm even gonna wear my brain out trying to understand. Unfortunately you will succeed in the future. Have a super-terrificusly fabulous summer. See ya next year Senior. Take it easy.

A time to mourn, and a time to dance.,

Mike,
After holding hands
with you in speech
parting (even if only for
the summer) is full of
sorrow. If it wasn't for
you speech would have
been boring but you made
it fun because of your
great sense of humor. I
pray that over the summer
you acquire some new
jokes! Anyway, have a fun
summer and I'm looking
forward to singing our
hearts out together again
next year in OrCADians!

BE THE BEST OF WHATEVER YOU ARE °

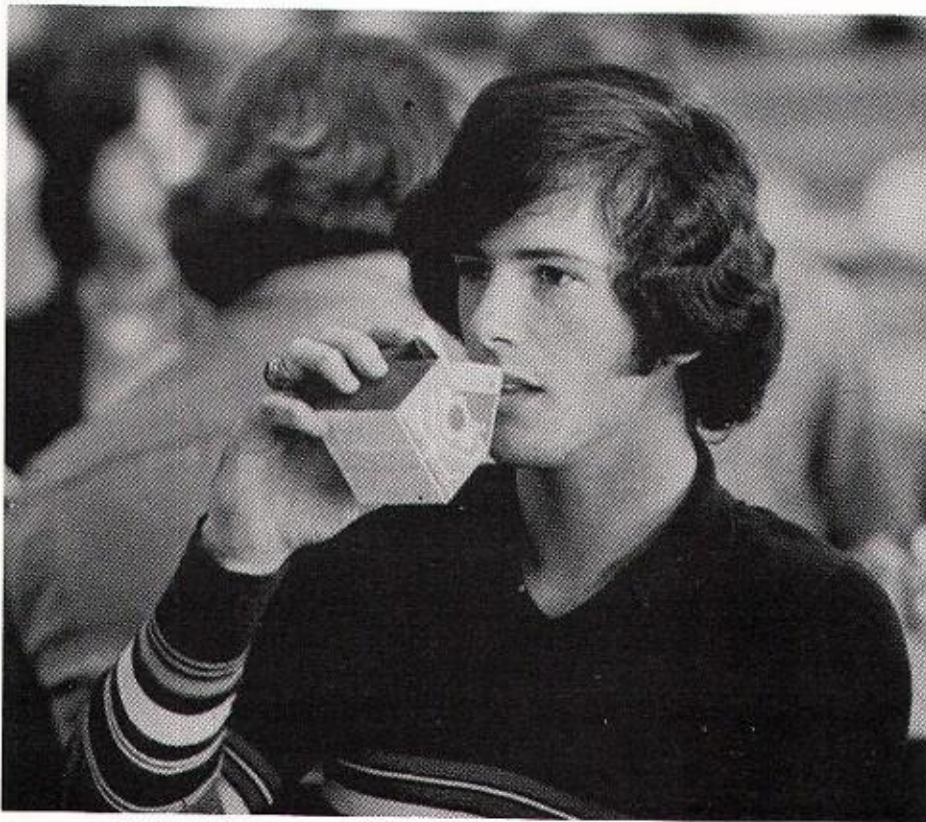

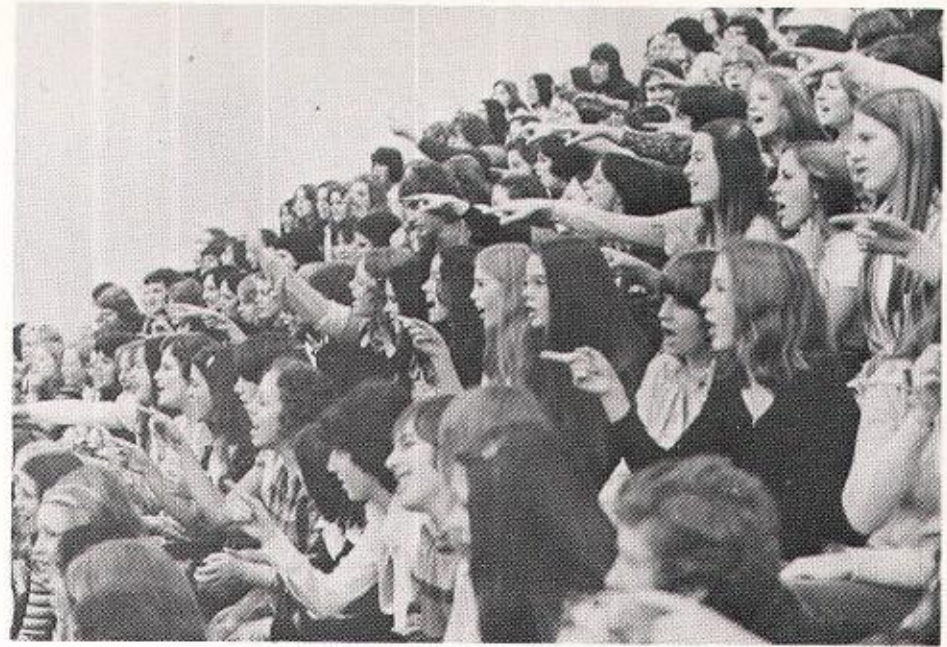

If you can't be a pine on the top of the hill,
Be a scrub in the valley — but be
The best little scrub by the side of the hill;
Be a bush if you can't be a tree.

If you can't be a bush be a bit of the grass,
And some highway happier make;
If you can't be a muskie then just be a bass -
But the livliest bass in the lake!

We can't all be captains, we've got to be crew,
There's something for all of us here,
There's big work to do, and there's lesser to do,
And the task you must do is the near.

If you can't be a highway then just be a trail,
If you can't be the sun be a star;
It isn't by size that you win or you fail -
Be the best of whatever you are!

Organizations

Each person has his task to do
However great or small
A doctor or an office clerk
Whatever be his call
The clergyman, the president
The ordinary wife.
Who feeds and helps her husband to
A better social life
Each person has a special place
Whatever it may be
To make a million dollars or
To raise a family
God gives us certain talents and
There is no use to cry
And wish for something bigger now
That seems to pass us by
As long as we are honest and
We try to do our best
God knows our needs and all we want
And he will do the rest.

Associated Student Body

If there is any responsibility in the cycle of life it must be that one generation owes the next that strength by which it can come to face ultimate concerns in its own way.

Seniors

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day
'Til Eternity passes away
Just to spend them with you.

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then,
Again, I would spend them with you.

But there never seems to be enough time
To do the things you want to do
Once you find them
I've looked around enough to know
That you're the one I want to go
Through time with.

If I had a box just for wishes
And dreams that had never come true
The box would be empty
Except for the memory
Of how they were answered by you.

Underclassmen

Spring came that year:
the time for moist petals,
God-given life,
sweet air,
and joy surging through thawing river beds.
Our friendship for life in the spring
and after a partially frozen winter
it grew,
based upon each other and God
. . . nothing else.
A fresh spring melted into a hot summer.
Life went on
but our friendship faded
because we hid
from the sun
and each other.
Autumn leaves began to fall
. . . orange and bright
. . . yellow and golden
And so we shed leaves
of pride and circumstance
(though some still cling to our branches)
These leaves that sucked
the life from us
are dead.
Our friendship that depends on
love from us
is alive.
And now we face a trying winter:
a time to grow
even beneath the snow.
And if through this winter we pass
still growing with God
we will have
an eternal spring.

Do you do your best each day?
Or do people often say,
"He can't face the trials he'll meet,
He'll just give up in defeat."
Now of course it isn't easy,
And too much we hear the breezy,
"These things are truly insurmountable;
They're not for me — I'm not accountable."
Do you work — are you really trying,
Though you sometimes feel like crying?
Do you always try to do your best;
Can you do it, can you meet the test?
Your smile, your honest friendly chatter,
Those are the things that really matter,
It doesn't have to be world shaking —
Just so you're in there partaking.

The honorable sir (sense) Mr. Mike Rutherford,
I expect to see you as the
next Bruce Lee jumping into the air,
kicking, yelling, breaking bricks - not seeing
you sitting in a German Pub drinking
good German beer. That comes only after
a good work-out!! So I'll see you next
year or not before (just look up you'll
see me flying through the air.)

Mike - I was really pleased last year when you
made it in Oreadians now! 1 year later
you lived the place up. In German
ditto. Viel Glück, Only, D. M. Minton

Mike -

Orcadians is quite a class, indeed, some of the people are really strange, especially ones who think they are elephants and eat other people's rice, But it was really a fun class!! How come you didn't try out charnsons? ~~where~~ you could have made it? Have a great summer and I'll see you next year

For me this has been a really great year - I've done more in this year than all the previous years and had a heck of a lot more fun. I haven't lived here long enough to become really good friends with but a few people, but I've met so many really great people and I have to include you in there. Thanks for being a friend, and good luck and take care

If you have learned to walk
A little more sure-footedly than I,
Be patient with my stumbling then
And know that only as I do my best and try
May I attain the goal
For which we are both striving.

If through experience, your soul
Has gained heights which I
As yet in dim-lit vision see,
Hold out your hand and point the way,
Lest from its straightness I should stray,
And walk a mile with me.

Mr. Rutherford,
I didn't see you too much this year but maybe I'll see you next year & this summer. Maybe we can do some thing together next year. Have a great summer, and keep clam, you know it!
Ray Lewis

Mr. Rutherford

You are really a coral. I remember when we hated each other well. We are everything. You are so outrageous & I hope you succeed in your goal in life. I mean how to walk, the way you have seen
Jan (Daddy's friend)

Mike,

You are a wonderful, funny, talented
person. We have had some great times in drama,
Jazz, Occasions and everywhere. Your
openness, your smile, and your good heart
have made you one of my favorite people out
of all those fine friends I have made.
Thanks very much for being all that you are.
I wish you the best of everything!

Love always,

P.S. Don't forget me!!!

Mike,
You're pretty cool. Fick's class was fun. I liked your

Ruth,
 You'd better be good at taking
 the place of this year's Seniors.
 We may not have been the most
 superior class of all Shorecrest's
 history, but we're sure as hell in
 the running. You better do well next
 year, and not let all the previous year's
 work go to waste. You can be so funny
 at the right times that I'll be sorry to
 leave your fantastic humor. Take it easy,
 and good opportunities.

Jaym J. J. J.

Mike, they're really been
 great knowing you, may the Lord
 bless you as you go on in life.
 Thanks for being my friend
 Jane R. R.

Michael,
 Well here we are at
 the end of another year.
 It's really a great feeling.
 So bad you're not graduating
 with us but there's always
 next year. Have a great senior
 year. Best wishes
 JM

Oh Mike,
 I don't know what to
 say. I'm really at a loss
 of words. You know you
 are a very special person
 to me. You'll never know
 how much I missed my
 little doormouse in dorm
 I guess you never know how
 much you take someone for
 granted until their gone. I
 going to miss you almost
 more than anybody. And I
 really sincere. Take care of you
 come see you next year. Oh
